

ANDREI SAS

cinematographer

With a keen interest in the intersection between arthouse cinema and popular culture, Andrei is an incessantly curious, empathetic and meticulous Cinematographer with over 10 years of experience working in many roles across the spectrum of film and video.

Harkening from a small town in Eastern Europe, he brings with him an effective mix of classical continental depth and modern out-of-the-box creative problem-solving that make his work tasteful and vivid.

His passion and commitment have been recognised with his work being broadcast and screened around the world including festivals such as Cannes and Locarno.
